WHAT IS CATSCANDANCE

4 SHOWS AT SOCIAL BLR

Ticketed (walk-ins welcome at door), capped at 200. Curated vendor market, pet + parent activities, DJ set. Saturday 2pm to close. A different Social neighbourhood each time.

1 GRAND FINALE — YOU COULD BE IN IT

A large-format season finale (2,000–3,000 pax) — runway, cat showcase, full agility competition, everything. Social has first right to co-present: Social branding, Social bar ops, Social content.

SOCIAL CO-MARKETS EVERY SHOW

Every event is co-branded. Social promotes across outlet handles and city channels — pre-event, during, and post. CCD drives paid and influencer; Social drives local neighbourhood reach.

THE AUDIENCE

Urban, 24–45, spending ₹3–8K/month on their pets. Primarily ticketed — walk-ins can buy at the door. Already Social regulars. Same person, same Saturday, now with their pet.
